You're invited! 2016 Stockholm World Water Week

Children's Safe Drinking Water | GRUNDFOS | World Vision water

Accelerating Development by Building a Prosperous Environment for WASH

4:00-5:30 pm Tuesday, 30 August, 2016
Aulan Auditorium, Stockholm City Conference Centre

Through a lively interactive session, governments, NGOs, and the private sector will share concrete examples of collaboration that are leading to sustainable water, hygiene, and sanitation solutions to alleviate poverty, build government capacity, and provide a return on business investment.
