Seeing the deteriorating situation World Vision is elevating its response to the crisis, and moving to **new areas in Southern Chad, Baga Sola.** World Vision has worked to meet the needs of children in Chad for the last 30 years.

The multi country response will be a child-focused disaster response with the initial focus on:

**Food Assistance
Food Security**

**Child Protection
Children
in Emergencies**

**Health &
Nutrition**

**Social
Cohesion**

**Non Food
Items**

WASH

World Vision will respond to 300,000 most vulnerable people in Niger and Chad.
