ABOUT WORLD VISION

World Vision is an international Christian humanitarian organisation dedicated to working with children, families and communities to reach their full potential by tackling the root causes of poverty and injustice.

World Vision Kenya partners with communities, the Government, sponsors, donors and corporates to help realise its five year strategy (2016-2020) for transformational development. The five-year strategy focuses on improved livelihoods and resilience, child protection, education, health and access to water, sanitation and hygiene (WASH) for children and their families. Through our advocacy work, we enable the voices of children and their communities to reach decision-makers who have the power to change unjust policies and practices.

World Vision Kenya has vast program reach in Kenya with over 50 area Area Development Programs (ADPs) - long-term development programs spread across 35 counties nationwide.

Vision:

Our vision for every child, life in all its fullness; Our prayer for every heart, the will to make it so.

Mission:

World Vision's mission is to follow our Lord and Saviour Jesus Christ in working with the poor and oppressed to promote human transformation, seek justice, and bear witness to the good news of the Kingdom of God.

Core Values:

*We are Christian | We are committed to the poor | We value people
We are stewards | We are partners | We are responsive*
