**NEWSLETTER**

**Empowering & Transforming Lives**

March, 2025 | Edition 01

## Hope in Every Child, Change in Every Community

### LEADER REFLECTION

*Message from the National Director*

**Jean-Claude Mukadi,**  
Interim National Director

Dear Friends and Partners,

As we unveil this maiden edition of the World Vision Ghana Newsletter, we are grateful for the incredible journey of transformation we have embarked on together. Our mission, to follow our Lord and Saviour Jesus Christ in working with the poor and oppressed to promote human transformation, seek justice, and bear witness to the good news of the Kingdom of God, continues to guide our every step.

Through the power of faith and collective action, we have seen lives changed, communities empowered, and hope restored. From improving child well-being to fostering resilience in vulnerable families, our impact has only been possible because of the unwavering support of our partners, donors, sponsors, and stakeholders. Your commitment to our cause has fuelled interventions in Education, Health, Water, Sanitation, and Hygiene (WASH), Child Protection, economic empowerment, and Emergency Response, ensuring that children and families experience life in all its fullness.

Yet, as we reflect on our successes, we recognise that there is still much work to be done. Across Ghana, many children still face hunger, poverty, and violence.

As a Christian, child-focused, and community-driven organisation, we remain steadfast in our resolve to break these cycles and create sustainable change. But we cannot do this alone.

We extend an open invitation to all government agencies, corporate entities, faith-based organisations, civil society groups, and individuals to join us in this mission. Your prayers, resources, and expertise are crucial in deepening our impact and ensuring that every child has the opportunity to thrive. Together, we can build stronger communities, nurture brighter futures, and inspire lasting change.

To all who have walked this journey with us, we say thank you. Your generosity, faith, and partnership have been the cornerstone of our achievements. As we move forward, may we continue to serve with love, act with courage, and transform lives through the boundless grace of God.

With deep appreciation and renewed commitment.

## Key Global Moments & Celebrations

Campaigns and Advocacy

International Women's Day

### **Celebrating the Women Driving Change:**

World Vision Ghana encourages all women in World Vision and beyond to keep pushing forward to build a world where every woman and girl thrives.

# Humanitarian and Emergency Response

## From Despair to Hope:

World Vision Ghana's CAT 2 Response Rebuilds Lives

Amid the despair, hope emerged. World Vision Ghana, in partnership with its donors, launched a humanitarian response to help farmers recover. The initiative, called the "Ghana Drought: Category II (CAT 2) Response," provided cash transfers, training in climate-smart agriculture, and essential supplies, including certified drought-tolerant seeds. This comprehensive support is helping farmers diversify their incomes and build resilience.

**Faith**  
is at the heart  
of everything  
we do

Our Christian faith leads us to believe every person is created in God's image and deserves life in all its fullness. In our work around the world, we see children being kept from reaching their full potential. We see injustice, inequality, corruption and disasters affect the lives and futures of children in every context. We show our experience of the unconditional love of Jesus Christ in our work. We are called to be witnesses and serve as a reflection of God's unconditional love.

## Partnership spotlight

### World Vision and Interplast Ghana Tackle WASH Challenges Together

World Vision Ghana has partnered with Interplast Ghana to advance the NSUPA WASH Facilities Project, securing Gifts-in-Kind (GIK) support. This collaboration, formalised through a Memorandum of Understanding (MoU), highlights Interplast's commitment to community development through impactful Corporate Social Responsibility (CSR) initiatives. Interplast, a leading producer of plastic pipe systems in West Africa, has donated HDPE/UPVC pipes and fittings to support the construction of a solar-powered mechanised water system.

# Impact Chronicles

Stories from the field

## Dohia Declared Open Defecation Free Thanks to World Vision Ghana's WASH Initiative:

Dohia, a farming community in Ghana's Volta Region, has been declared open defecation free (ODF), significantly improving sanitation and public health. This milestone was achieved through World Vision Ghana's Community Led Total Sanitation (CLTS) approach, which encouraged household sanitation and trained local artisans to build durable toilets. Initially hesitant due to past failures, the community embraced the initiative after seeing successful examples like Edmond and Grace's family.

## Bulungu Shea Processing Women's Group Drives Multiple Benefits from A Mechanised Water System:

In Bulungu, a farming community in Ghana's Northern Region, shea processing has long been the economic backbone for women. However, water scarcity posed significant challenges, forcing women and girls to walk miles for contaminated water, impacting their health and productivity. World Vision Ghana transformed their lives by providing a modern shea butter processing center with a mechanised water system, ensuring access to clean water. This intervention improved the quality and quantity of shea butter, boosting local and international demand.

## From Skepticism to Economic Empowerment: Faith Savings Group Transforms Lives in Dohia:

Residents of Dohia, a farming community in Ghana's Volta Region, struggled with saving money due to past fraudulent schemes. The Faith Savings Group, part of World Vision Ghana's Savings for Transformation (S4T) initiative, has restored their confidence. This group of 25 members saves, invests, and supports each other, building financial security and new businesses. Daniel, a member recalls their initial skepticism but now appreciates the safe saving method. Mercy, a local farmer, has significantly increased her yield and supported her children's education.

## Voice of our Children

Acknowledging Children's Participation

### Nicole Duciaume empowers Children in Agotime:

Nicole Duciaume, Director for Sponsorship Programming Team at World Vision USA, inspired children in World Vision Ghana's Agotime Area Programme with a powerful message of unity, courage, and action!

Her words ignited a spirit of confidence and leadership, reminding the children that they have the strength to shape their communities and challenge injustices.

Let's continue to empower the next generation to lead with courage and purpose!

### World Vision Ghana's Emmanuella Shines Light on Child Hunger at G20 Summit:

Emmanuella, a young advocate for World Vision Ghana, passionately called for global action against child hunger and malnutrition at the G20 Social Summit in November 2024 in Rio de Janeiro. The summit, under Brazil's G20 presidency, focused on social inclusion, global governance reform, and sustainable development. Emmanuella, from Afram Plains, Ghana, shared her personal experiences, including her brother's battle with malnutrition during the COVID-19 pandemic, to highlight the urgent need for action. She urged world leaders to prioritise ending hunger and malnutrition, especially among children and girls.

## Staff Corner

Going further together

### Celebrating 24 Years of Transformation, Dedication and Selflessness:

Edward Owulah, a retired staff member of World Vision Ghana, recently shared his remarkable journey of 24 years with the organisation. Throughout his tenure, Edward dedicated himself to serving the most vulnerable children, making a profound impact on countless lives. Reflecting on his career, he expressed deep gratitude for the opportunity to contribute to World Vision's mission and highlighted the importance of compassion and perseverance in humanitarian work.
