CONCLUSION

Brief Overview

In FY-24, World Vision Zambia made significant strides in enhancing the well-being of vulnerable children and communities through the effective integration of Gifts In Kind (GIK) resources across various sectors. The organization distributed essential items such as school furniture, medical supplies, bicycles, re-milled soap, assorted clothing, and toys among others. These contributions have led to improved educational environments, better health services, enhanced personal and public hygiene, increased mobility, and strengthened community resilience. By fostering partnerships and leveraging grant matching opportunities, World Vision Zambia has not only amplified its impact but also bolstered its credibility and visibility, ensuring sustainable development and community growth.

World Vision Zambia v National Director
Marc Nosbach

Foreword

On behalf of World Vision Zambia, we sincerely thank our Donors for the GIK received in FY2024. These resources contributed greatly to the well being of children and their communities.

We are also grateful to our support offices, WV USA, WV Canada and WV Korea for all the work in ensuring that the GIK reaches our country.

Our GIK team equally did a tremendous work in ensuring that the resources reach the intended beneficiaries.

• Assorted clothes

• Mattresses

• Footwear

• Beddings, etc.

In FY-24, World Vision Zambia made significant strides in integrating GIK resources with various technical programs, thereby contributing to the well-being of children and communities. The education sector was the major beneficiary, followed by the health sector, then Sponsorship, WASH, and grant matching. These efforts have collectively enhanced the quality of life for the most vulnerable populations, ensuring sustainable development and community growth.
